Prevention is better than cure

A number of key pillars within the swimming pool health and safety community are coming to Scotland to deliver a variety of workshops and talks on how swimming pools can comply with best practice. The speakers will focus on providing tools and techniques that allow leisure operators to "prevent as opposed to cure" when it comes to health and safety incidents. To attend this exciting seminar please register at www.pioneeringpoolsolutions.co.uk

TIME: 10am - 3pm
DATE: SEPT 27th 2018

Broadwood Stadium,
Cumbernauld, Scotland

Ian Nicks

Ian is the Institute of Swimming's representative on the PWTAG Board and brings 40 years of expertise as a swimming pool technical consultant with him. Ian will deliver a presentation on the new PWTAG Guidance book and Code of Practice.

Mike Shuff

Mike brings a wealth of experience in Wet Leisure Training and is a Director at PWTAG Accredited Training Organisation PALM Academy. Along with Robin, Mike will be delivering a workshop discussing best practice methods of preventing health and safety incidents occurring in the water treatment aspect of swimming pools

Robin Mitchell

With 6 years experience working in the swimming pool chemical sector combined with 12 years delivering Pool Plant Operators Training Robin also offers a Scottish flavour to the seminar. Along with Mike, Robin will be delivering a workshop discussing best practice methods of preventing health and safety incidents occurring in the water treatment aspect of swimming pools

Colin Jenkinson

Colin is a Director of Leisure Safety Training Limited specialising in training and consultancy across the leisure industry, he is also a former Chair of the Midlands IOSH. Colin will present a paper highlighting the consequences and repercussions of poor health and safety practice in swimming pools, making reference to actual cases.

Helen Meckiffe

Helen has over 16 years experience in Leisure as a Senior Manager and most notably is a National Trainer Assessor and leading consultant in the development of Lifeguard qualifications and training. Helen will discuss the importance in ongoing training, it's quality and how it relates to real life situations.

Robin McGloughlin

Robin McGloughlin is the Director and Co-Founder of leading drowning prevention business Poolview Limited. Robin has the authority and passion to inform and raise awareness of Drowning Prevention Technology with over 30 years' experience within the UK Leisure Sector. Robin will be discussing the use of technology to support lifeguards and improve swimmer safety with his concept of "Blended Lifeguarding"
